

The 50th ICFA Advanced Beam Dynamics Workshop on
Energy Recovery Linacs

ERL2011

16-21 October, 2011

KEK, High Energy Accelerator Research Organization, Tsukuba, Ibaraki, Japan

2nd Circular

Dear Colleagues,

The registration/accommodation reservation of the 50th ICFA Advanced Beam Dynamics Workshop on Energy Recovery Linacs, ERL2011 (<http://erl2011.kek.jp/>) is open.

We are keeping a number of rooms for you in very nice hotels close to a convenient area for shopping and dining with a special ERL2011 rate. Only for the guests who stay at these hotels, shuttle buses will be available to transport to and from the venue for free.

Deadline of early registration is 9th August, 2011 and final registration is 10th October, 2011. Please note that we will unblock the remaining rooms at 10th October, 2011. We would like to recommend you to make your registration and book your accommodation early.

The submission of abstracts will start by the end of June.

ERL2011 are willing to offer grants for young scientists, who are graduate students, post-graduate students or post-doctoral fellows with a maximum age of 35. If you request for a support, you should submit a presentation. Please contact the secretariat (erl2011@kek.jp) via e-mail if you wish to apply for this support.

You will find all necessary information at "Registration/Accommodation" on our web site.

http://erl2011.kek.jp/registration_accomodation/index.html

We would appreciate it very much if you would kindly disseminate information of ERL2011 to the people who are interested in it.

Sincerely,

Hiroshi KAWATA (Chair)

On behalf of the ERL2011 organizing committee
